Pray for Flexibility

“The measure of intelligence is the ability to change.”

— Albert Einstein

OK, we’re not claiming to be Einstein. But one quality we stress with our launch team is the ability to be flexible. Church planting is all about reading the context and learning how to adapt to the situation. If you have to change directions, change directions!

In Jeremiah 29:11 the Lord says, “For I know the plans I have for you,” declares the Lord, “plans to prosper you and not to harm you, plans to give you hope and a future.” Please pray for flexibility as we seek to follow God’s plans and not ours. Pray we have the wisdom to understand his will and the humility to know when our plans need adjusting to fall in line with his. Pray we will be joyfully flexible!
