## Please Pray - Preview Worship Week #3 Is Coming!

We hope you'll join us and pray for our next monthly preview worship service on Sunday, March 19. Our preview services are our opportunity to connect with the Zuni Hills and Vistancia communities. It is also an opportunity to gather for some great worship. Please pray God will work in people's hearts and minds - ours and our guests.

**Pray for our Easter  
Preview Service**

We're making plans for a dynamic and compelling celebration of the resurrection of Jesus. Pray for us!

**Hospitality Rocks at  
VCC!**

*“Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age.”*

**Pray for Wisdom**

“How much better to get wisdom than gold, to get insight rather than silver!” — Proverbs

Someone once observed “Knowledge is flour, wisdom is bread.” As we walk the journey of starting Vistancia Community Church, we are so thankful for the abundance of resources available to us - great coaching, committed ministry partners, family and friends around the country who are standing with us. With these great resources come an abundance of knowledge and experience. However what we need most is the wisdom to use all this knowledge and experience in ways that best promote God’s Kingdom and helps people become disciples of Jesus.

Please pray for wisdom for the planting team and the launch team.
